Road Construction Alert Effective March 20, 2023

CENTRAL AVENUE TEMPORARY CLOSURE

Starting Monday, March 20, the 1200 block of Central Avenue between Verity Parkway and Clinton Street will be closed to vehicular traffic for eight days, weather permitting, for the installation of paver crosswalks. Eastbound traffic may utilize the First Avenue detour. Westbound traffic may utilize the Manchester Avenue detour. Full access to Central Avenue remains between Clinton Street and University Boulevard.

Here's What To Expect

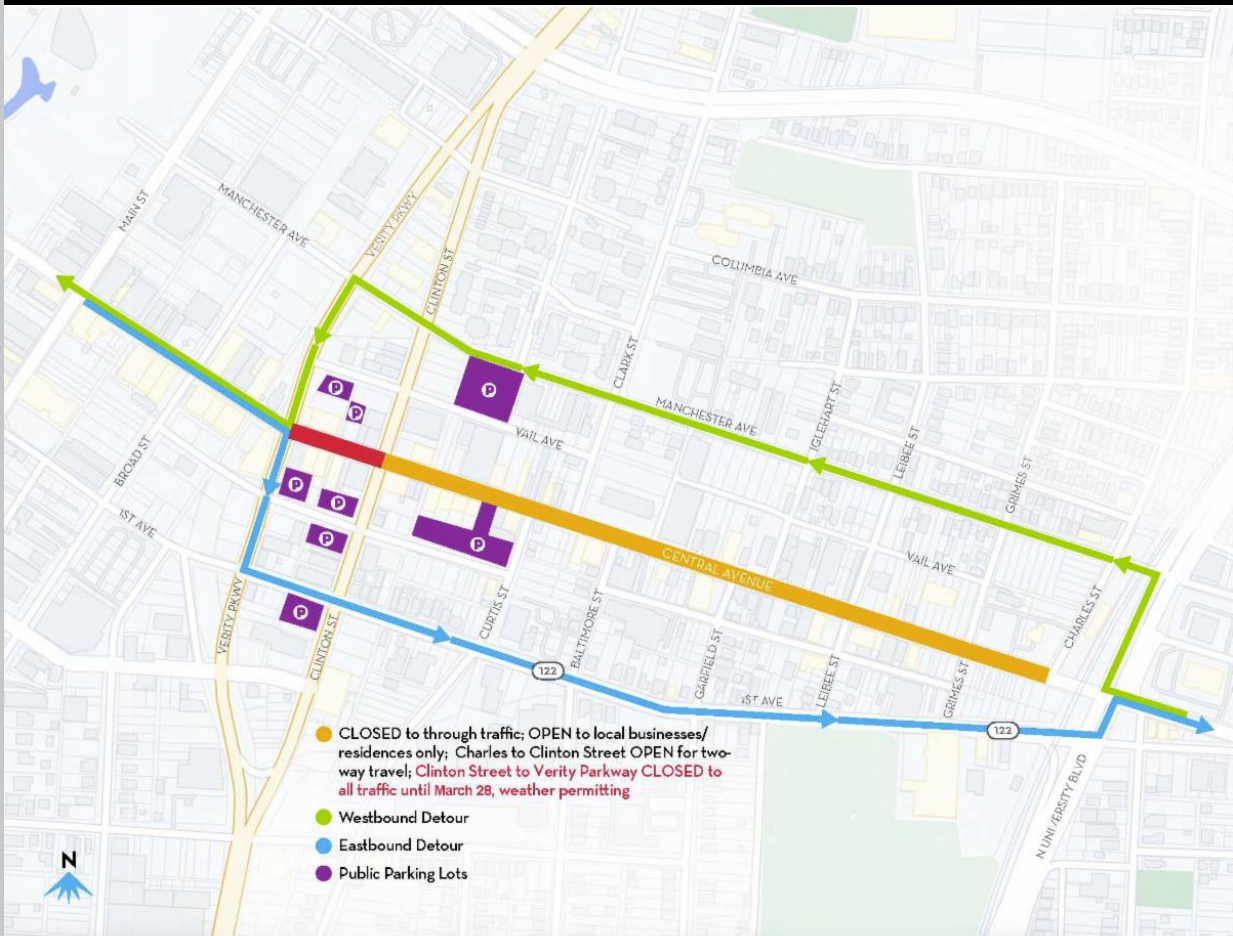

- Install paver bricks around Verity Parkway
- Level landscaping beds and plant vegetation
- Install light pole bases
- Place sod or plant grass seed
- Install bike racks

Recently Completed Work

- Installed new benches along Central Avenue
- Installed planters and added soil in anticipation of flowers with spring
- Installed light poles, signs and trees
- Installed new traffic signals at Clinton Street and Verity Parkway

Impacts To Travel (Click on map for enhanced image)

The Central Avenue Improvements Project will make a generational transformation in the city's historic downtown district by revitalizing a key section of Central Avenue within the city's urban core. The project will modernize outdated infrastructure that will help attract and retain businesses and benefit residents and visitors of the downtown area for years to come.
